You are invited to attend the annual R.Y.C. First Mates Appreciation Dinner for some dinner, drinks, and entertainment. Rumor has it that our Commodore has lined up some top notch music, Squeak lined up some top notch reasonably priced cocktails, and I have lined up some top notch Prime Rib for the main course.

Now is the time for the Captain's to step it up and bring along a **dish to pass**. We will need a little variety for the dinner. Appetizers, Potatoes, Veggies, and some Desserts. Please cook em up well gentlemen; we have to put on a good meal for the wives!!!!!!! Note to the Wives: If we bomb on the taste of the food, see Squeak. He will point you in the general direction of the bar. Shots of Whiskey make for a good mouthwash.

Don't forget to R.S.V.P. by July 30th, I need to get a good count so I can prepare the proper amount of Prime Rib. Also, we would like to encourage you to invite non-members to this event so they can get a feel for the club.

Hope to see you on the 14<sup>th</sup> of August!
